

SCREEN MAGIC Dehazer/ Degreaser

GENERAL DESCRIPTION

Screen Magic is a viscous ghost/ image stain remover and degreaser that is designed for all ink systems. This product removes stains with less noticeable odor and works better than most paste stain removers. Screen Magic can be used for degreasing and wetting all types of screen fabrics, including polyester, nylon, and stainless steel. Screen Magic leaves the fabric free of oils, contaminants, and residues which will ruin the emulsion coating. Screen Magic will reduce the incidence of “pin-holes” and “fish-eyes” when coating your screen with emulsion.

Screen Magic is perfect for use on brand new fabric (mesh). It’s micro-particles will prepare new mesh for production.
